

## COMMODITY LISTING BY QUALITY CATEGORY

### Group I

- N/A

### Group II

- Building Automation

### Group III

- Air handlers
- Auxiliary control panels
- Autoclaves
- Bio safety cabinets
- Bottle washers
- Cage/rack washers
- Centrifuge
- Clean-In place skids
- Clean steam generators
- Coatings for special clean room/animal facilities
- Cooling towers
- Centrifuge
- Clean steam generator
- Fermenters
- Fire suppression/detection system
- Heat exchangers (process)
- Homogenizers
- Hoods (bio safety and chemical fume)
- PLC
- Process gas systems (CO2/LN2)
- Purified water skids (RODI/WFI)
- Relay panels
- Skids (process/filtration)
- Sterilizers
- Tanks (product)
- Water treatment systems (clean/waste)

### Group IV

- A/C units
- Building material (all)
- Chillers
- Coatings
- Compressed air systems
- Control valves
- Disconnect switches and fuses
- Distribution Panels
- Electric motors
- Electrical heaters
- Electrical meters and relays
- Electrical raceways
- Emergency Generators

- Fans
- Grounding rods
- Heat exchangers (non-process)
- Instruments
- LAN jacks
- Lighting
- Outlets
- Piping and tubing
- Power monitoring devices
- Pumps
- Security system/card readers
- Structural Steel
- Surge suppression devices
- Switchgear
- Tanks (non-product)
- Terminal and junction boxes
- Transformers
- UPS, batteries, chargers and DC panels
- Valves (all types)
