***These cards are delivered flat per industry standard.**

** Braille Embossing	Dots up on front or back side. Braille is limited to four lines of 13 characters/spaces each and typically has no punctuation or capitalization. Envision uses Computer Braille for email addresses, and Grade 2 English Braille which utilizes "contractions" for common groups of characters. Braille is charged at \$27.50 per box flat rate.
-----------------------------	---

Rush Service	Envision offers an optional RUSH Service for printing your priority business card order. This service turns your order in 3 business days or less and then ships via Overnight Courier which delivers by 10:30 a.m. (noon in the DC area) on the 4th business day morning, all for a surcharge of \$25 . This applies to a <u>single</u> order for up to <u>12 boxes</u> of cards.
