SUBJECT: Notification of Relocation Company Name Change

Prudential Relocation, Inc., who serves as our relocation moving company was recently acquired by Brookfield Residential Property Services and, as a result, their name has changed to Brookfield Relocation, Inc. The name change occurred on April 10, 2012.

There will be no changes in processing the paperwork for our relocating employees. We will continue to receive the same services from the relocation coordinators who understand the policies, rules and regulations pertaining to the NIH Relocation Program.

The name change does not require any actions on your part to use the relocation program. Modifications have been made to the GSA contract #GS-23F-9734H & BPA #HHSN26399990048 to reflect the new name.

You may have already seen the new name Brookfield Relocation, Inc., displayed on some of the communication and procedures sent to the NIH community.

Please disseminate this information within your IC accordingly. If there are any questions contact Alicia Jackson, DLS Project Officer on 301-496-1595. Thanks.
