

## Schedule of NCCP Review of Title 38 PDP Cases

In an effort to standardize the review of Title 38 PDP cases by the NIH Clinical Compensation Panel (NCCP) and to further inform ICs about case submission requirements, there is a schedule including case submission deadlines and NCCP meeting dates. The schedule has been devised so that cases can be grouped and reviewed by the NCCP on the first and third Thursday of every month (some months may have an extra meeting).

Complete Title 38 PDP cases, to be reviewed at an NCCP meeting, are due in hard copy to OHR/CSEED (Building 31, room 4B39) by close of business on the Tuesday of the week preceding the meeting. ICs should consult the guidance titled [Requirements for Submitting Title 38 Physician and Dentist \(PDP\) Cases](#) for specific instructions on the documentation needed for Title 38 PDP cases for NCCP review. If there are any unusual or time-sensitive issues involved with a Title 38 PDP case, IC and/or OHR staff should contact OHR/CSEED as early as possible.
