

## Appendix A

### MINIMUM CONTENTS OF SAFETY PROTOCOL

#### General Information

Date:

Chemical Name, synonyms, and CAS number:

Principal Investigator:

Use location:

Storage location:

Period/frequency of use:

Quantity obtained, maximum amounts in use:

Project Personnel:

#### Experimental Procedures

Operational procedures:

Control procedures and engineering controls:

Personal protective equipment (PPE):

Decontamination and disposal procedures:

#### Emergency Procedures:

Personnel exposure:

Spill:
